

HOW TO MAKE A PAYMENT ONLINE

1. Sign in to your account. If you don't have an account, you'll need to create one first. Once you're logged in, you'll be able to see your account balance and make payments.

2. Click on the "Make a Payment" button. This will take you to a page where you can enter the amount you want to pay and the account you want to pay from.

3. Enter the payment amount. You can enter a fixed amount or a percentage of your account balance. You can also choose to make a recurring payment.

4. Select the account you want to pay from. If you have multiple accounts, you'll need to select the one you want to use.

5. Review the payment details. Make sure you've entered the correct amount and account information. You'll also want to check the date the payment will be made.

6. Click on the "Make Payment" button. This will process the payment and you'll receive a confirmation message.

7. You can check the status of your payment in your account. If you have any questions, you can contact customer support.
